

Fall 2011 Newsletter

Message from Jim

Hi Folks! In response to numerous phone calls, emails and cards we've assembled in this newsletter a group of suggested gift items to fill those priority flat rate boxes and take full advantage of the fantastic shipping value provided by the USPS. As they say "if it fits, it ships" at one low price. Ask us and we'll even include a greeting card.

Over the last few weeks our friends at IPS Technology have been diligently upgrading our web site to include tour details, maple sugaring photos, product information, recipes and our expanded online store. These improvements should make for the best possible online experience for our customers. Also find us on facebook at "Fadden Maple", become a fan and follow us through past and present maple adventures.

Once again this season we enjoyed the unique opportunity to share eight generations of our family history along with our knowledge and excitement about making maple syrup with hundreds of people from places all over the world. We certainly hope that each of our guests had a memorable experience while visiting the General Store and Sugarhouse. Don't be bashful; we'd love to hear from everyone again!!

With the Holidays just around the corner we'll take this opportunity to thank all of our friends and customers for their patronage and wish each and every one the best holiday season followed with a happy, healthy and prosperous new year.

Jim
